Dear Connie Wong:

The Department of Managed Health Care's (DMHC or the Department) Office of Legal Services received your California Public Records Act (CPRA) request on July 11, 2025, seeking copies of block transfer and/or termination filings for Blue Cross of California, Blue Cross of California Partnership Plan, Inc., Carelon Behavioral Health of California, Inc., and Carelon Health of California, Inc. and the following entities from May 1, 2025, to September 30, 2025: University HealthCare Alliance (dba Stanford Medicine Partners); Stanford Medical Center; Stanford Hospital; Stanford Health Care; Stanford Health Care Tri-Valley Hospital; Tri-Valley Hospital; Lucile Packard Children's Hospital; Stanford Medicine Children's Health; and Packard Children's Health Alliance.

The Department has determined that we possess records responsive to your CPRA request above. Electronic copies of all publicly available records responsive to your CPRA request have been uploaded to the compressed/zip folder attached to the transmission email for this letter. However, please note that there were no responsive records identified for Blue Cross of California, Carelon Behavioral Health of California, Inc., and Carelon Health of California, Inc.

By providing you with this information the DMHC considers your CPRA request fulfilled, and the file is now closed.
