Please be advised that any change in the hospital you use may also mean changes in the specialists currently available to you.

Health Net HMO and HSP health plans are offered by Health Net of California, Inc. Health Net of California, Inc. is a subsidiary of Health Net, LLC. Health Net is a registered service mark of Health Net, LLC.

In certain cases, you may be able to keep getting services from the hospital if it agrees and if the hospital has been treating you for any Qualifying Conditions, listed below:

- Acute condition, for the time the condition lasts;
- Serious chronic (long-term) condition, for up to 12 months;
- Pregnancy, during the pregnancy and 6 months after giving birth;
- Maternal mental health condition, for up to 12 months;
- Terminal illness or conditions, may exceed 12 months from the contract termination date or 12 months from the effective date of coverage for a new enrollee;
- Children ages birth to 36 months, for up to 12 months;
- You have surgery or other procedures authorized by our plan as part of a documented course of treatment.

There is a Continuity of Care Assistance form included with this letter. If any of the above applies to you, fill out the enclosed form and mail or fax the form to Health Net. If you want a copy of our policy or more information about your rights to continuity of care, please call us at **1-800-522-0088 (TTY: 711)**.

You may access Health Net's continuity of care policy by going to our website at www.healthnet.com. You will need to login or register on the Member Portal. Once you are logged in, select Menu, Reference Materials then Continuity of Care Assistance.

If you are billed by any provider for services you are entitled to under your Health Net plan, except for copayments, please contact our Customer Contact Center at **1-800-522-0088 (TTY: 711)**. You should not be billed, nor should you pay, for any Health Net covered services, except for copayments.

Finally, please note that if you are a Point of Service (POS) member, you may elect to use your out-of-network benefits to continue using your current hospital on or after **(EFF DATE)**. Please be aware, however, that by choosing to use your out-of-network benefits, as opposed to using a hospital at the in-network level, you will incur additional personal expenses. This higher expense may result in part since you would be utilizing a provider no longer contracted with Health Net.

We value your membership and will make every effort to ensure that this transition goes smoothly. We also want you to know that your Health Net benefits and copayments will not change. If you have any questions or concerns, please contact Health Net's Customer Contact Center at **1-800-522-0088 (TTY: 711)**. Customer Contact Representatives are available to assist you Monday through Friday from 8:00 a.m. to 6:00 p.m. You may also contact Health Net through our web site at www.healthnet.com.

Sincerely,

Customer Contact Center
