Re: Proposed Contract Termination with Adventist Health St. Helena
Block Transfer Filing No. 2026-HOSP-252
Filed on February 26, 2026

Dear Ms. Castillo:

The Department of Managed Health Care (Department) is reviewing the information in the above-referenced Block Transfer Filing (Filing) submitted by **Health Net of California, Inc.** (Plan) for compliance with the requirements of the Knox-Keene Health Care Service Plan Act of 1975, as amended (Cal. Health & Safety Code § 1340 *et seq.*) and the regulations promulgated thereunder (Cal. Code Regs., Tit. 28, § 1000 *et seq.*).

In the event of contract termination, the Filing proposes to remove **Adventist Health St. Helena** (Terminating Hospital) from the Plan's hospital network. The effective date of contract termination between the Terminating Hospital and the Plan (Termination Date) is currently **April 15, 2026**.

Please review the following comments and feel free to contact me if you would like to discuss any of the issues before filing the Plan's response.

1. Please confirm the Plan will utilize the most recently approved eFiling Enrollee Transfer Notice Templates for this Block Transfer Filing.
2. Please confirm that the Plan is aware that it cannot transition its enrollees or send Enrollee Transfer Notices without the Department's approval.
3. The Plan indicated on the Block Transfer Filing Form that the hospital termination is part of the Adventist Health termination. Please confirm if the contract is a stand-alone contract.

Protecting the Health Care Rights of More Than 30.2 Million Californians
Contact the DMHC Help Center at 1-888-466-2219 or www.DMHC.ca.gov

4. The Plan indicates that MRI, Cardiac Cath, Hyperbaric Therapy, ICU, Medical oncology, Chemotherapy, Immunotherapy, Radiation oncology, Surgical oncology, Advanced Imaging (PET & MRI), Affiliated clinical trials are available at the Terminating Hospital. Please confirm which Alternate Hospital(s) provides each service(s):

	MRI	Cardiac Cath	Hyperbaric Therapy	ICU	Medical oncology	Chemotherapy	Immunotherapy	Radiation Oncology	Surgical Oncology	Advanced imaging (PET MRI)	Affiliated clinical trials
PROVIDENCE QUEEN OF THE VALLEY MEDICAL CENTER											
SONOMA VALLEY HOSPITAL											
SUTTER SANTA ROSA REGIONAL HOSPITAL											

5. The Plan's PPO line of business is licensed by the Department. Please confirm the following:
- The Plan will send an Enrollee Transfer Notice approved by the Department to all PPO enrollees with a 15-mile radius of the Terminating Hospital.
6. The Department notes that the Plan has chosen Directly Contracted Network (DCN) as a group that admits to the Terminating Hospital, for the Enrollee Access section of the Block Transfer Filing Form. The Department also notes that the Plan has stated there are no impacted medical groups. Please state whether DCN is impacted by the pending termination or if DCN was selected because a

provider group must be chosen for Enrollee Access section of the Block Transfer Filing Form.

7. In addition to the in-patient services comparison on the Block Transfer portal, please indicate any of the following services that are available at the Terminating Hospital, but not available at the Alternate Hospitals:
 - a. Any out-patient or in-patient services,
 - b. Any tertiary care, quaternary care, cancer, burn or other high-level specialty services,

If any services are not available at the Alternate Hospitals, please explain where affected enrollees will receive these services following contract termination.

8. The Plan proposes [insert Alternate Hospital] as an Alternate Hospital. Please explain how the driving time/distance to this hospital fits the normal pattern of practice for travel in the area, or alternatively, identify any waivers or alternate access standards approved by the Department for this area (including the filing number and approval date).
9. Please identify the number of enrollees who have a procedure scheduled and authorized by the Plan at the Terminating Hospital post-termination.
10. Please confirm whether the provider group(s) in this Block Transfer Filing are facing potential contract termination(s) within six months. In addition, if the Plan is required to file a Block Transfer Filing for any of the provider group(s), please provide the name of the provider group and the filing number of each Block Transfer Filing.

Please submit the Plan's response by **March 9, 2026**, via the Block Transfer portal as a "Response to Comment Letter."

Please contact me if there are any questions regarding the above.

Sincerely,

Stacie Litovchenko
