Hello Jessica,

Thank you so much for reaching out. We apologize for the error. The hospitals in question are Sonoma Valley Hospital and Sutter Santa Rosa Regional Hospital. Those hospitals appear to be beyond the 15 miles and 30 minutes.

The Department is requesting an explanation/justification of how the driving time/distance to this hospital fits the normal pattern of practice for travel in the area. Additionally, if there are any waivers or alternate access standards approved by the Department for this area (including the filing number and approval date), you are encouraged to include those as well.

Please let us know if there any additional questions.

Best regards,

Stacie Litovchenko

Greetings Stacie, Upon review of the comment letter, the Plan respectfully requests clarification or an updated comment letter for Question #8, as the specific Alternate Hospital referenced and whether the Department is requesting a local travel-pattern explanation or identification of an approved waiver or alternate access standard are not clearly indicated.
