Services Comparison

Services offered by the terminating hospital with that of the Alternate Hospitals comparison.

Justification how enrollees will access the missing service(s) post-termination:	While the alternate hospitals do not offer all comparable services, the Plan has established arrangements to ensure enrollees maintain access to these services post-termination. For services not available at the alternate facilities, enrollees will be referred to contracted hospitals within the network that provide these services. The Plan will coordinate care through case management and ensure continuity for members currently receiving treatment, including honoring prior authorizations and facilitating transfers when clinically appropriate. Additionally, enrollees will receive written notice of the change and instructions on how to access care, supported by our customer service team.
