Re: Proposed Contract Termination with Corona Regional Medical Center Main
Block Transfer Filing No. 2026-HOSP-259
Filed on March 2, 2026

Dear Ms. Uiagalelei:

The Department of Managed Health Care (Department) is reviewing the information in the above-referenced Block Transfer Filing (Filing) submitted by **UHC of California** (Plan) for compliance with the requirements of the Knox-Keene Health Care Service Plan Act of 1975, as amended (Cal. Health & Safety Code § 1340 *et seq.*) and the regulations promulgated thereunder (Cal. Code Regs., Tit. 28, § 1000 *et seq.*).

In the event of contract termination, the Filing proposes to remove **Corona Regional Medical Center Main** (Terminating Hospital) from the Plan's hospital network. The effective date of contract termination between the Terminating Hospital and the Plan (Termination Date) is currently **May 1, 2026**.

Please review the following comments and feel free to contact me if you would like to discuss any of the issues before filing the Plan's response.

1. Regarding the Enrollee Transfer Notice (ETN) submitted for this Filing, the following information was found missing. Please resubmit the Enrollee Transfer Notice for the Department's review to include the following:
 - a. Doctors Hospital of Riverside is included in this filing as part of the Alternate Hospitals, but it is not listed on the list of network hospitals. Please also include this hospital on the ETN and resubmit to the Department for its review.

2. The Department notes that **Parkview Community Hospital Medical Center** is listed as one of the Alternate Hospitals in the Enrollee Notice. However, it was not listed in the Block Transfer filing. Did the Plan intend to use Parkview Community Hospital Medical Center as one of the Alternate Hospitals? If so, please provide the following information for this hospital:

Alternate Hospitals	Contract Evergreen?	Contract Notice Received?	Contract Potential POS Increase	Contract Terminates?	Contract Termination Notice Days	Same Hospital System?	Travel Distance	Travel Time
Parkview Community Hospital Medical Center								

3. Please confirm whether the contract termination between the Plan and Corona Regional Medical Center Main impacts Point of Service (POS) enrollees.
4. Please confirm whether the HMO providers that routinely utilize the Terminating Hospital have adequate admitting privileges for PCPs and specialists to at least one of the identified Alternate Hospitals containing all services that will be lost should the contract ultimately terminate.
5. In addition to the in-patient services comparison on the Block Transfer portal, please indicate any of the following services that are available at the Terminating Hospital, but not available at the Alternate Hospitals:
- Any out-patient or in-patient services,
 - Any tertiary care, quaternary care, cancer, burn or other high-level specialty services,

If any services are not available at the Alternate Hospitals, please explain where affected enrollees will receive these services following contract termination.

6. The Plan indicates that the provider group PrimeCare Medical Group of Chino Valley, Inc., will use Placentia Linda Hospital as an Alternate Hospital; however, the Plan indicates that zero PCPs have admitting privileges to the proposed Alternate Hospital. Please explain how its assigned enrollees will be admitted to Placentia Linda Hospital.
7. Please identify the number of enrollees who have a procedure scheduled and authorized by the Plan at the Terminating Hospital post-termination.

8. Please confirm whether the provider group(s) in this Block Transfer Filing are facing potential contract termination(s) within six months. In addition, if the Plan is required to file a Block Transfer Filing for any of the provider group(s), please provide the name of the provider group and the filing number of each Block Transfer Filing.

Please submit the Plan's response by **March 11, 2026**, via the Block Transfer portal as a "Response to Comment Letter."

Please contact me if there are any questions regarding the above.

Sincerely,
