Hello Samantha,

The Department has an additional question for the Plan. The Plan indicates that the provider group PrimeCare Medical Group of Chino Valley, Inc., will use **Placentia Linda Hospital** as an Alternate Hospital, and that in the event PrimeCare Medical Group of Chino cannot admit to Placentia Linda Hospital through use of a hospitalist, the Plan will work with the group to ensure enrollees are able to obtain any medically necessary services. Please confirm the number of PCPs (and/or hospitalists), as well as the number of specialists, with admitting privileges at Placentia Linda Hospital.

Thank you!
