Dear John,

Please accept this letter as more than one hundred and eighty (180) days written notice to begin negotiations and renew the existing Medi-Cal Managed Care Program Participating Hospital Agreement between Blue Cross of California and Valley Children's Hospital. Our intent is to reach a mutually beneficial renewal that continues our partnership in serving Anthem members. However, if we are unable to finalize an agreement by July 1, 2026, termination will go into effect for services on and after July 1, 2026.

Please be assured that it is our intent to continue to partner with you to provide the highest quality health care to your members. As such, we have several critical topics we are seeking Anthem's partnership on for this negotiation, which will be sent in correspondence to follow. We look forward to your partnership to work through these items quickly to finalize the renewal by or before July 1, 2026.

We value the relationship with Anthem and the opportunity to provide exceptional care to your members.

Should you have any questions, please do not hesitate to contact Julie Orozco, Director, Payor Contracting at (559) 353-7028.

Sincerely,

Jennifer Armendariz
Vice President, Revenue Cycle and Managed Care
