Dear Mr. Evan Escobar,

The Department is in receipt of the Plan's request to waive (or shorten) the 60-day Enrollee Notice Requirement in connection with this matter, pursuant to Health and Safety Code section 1373.65, subdivision (b) and California Code of Regulations, title 28, section 1300.67.1.3, subdivision (e). Please note, the Department continues to evaluate the Plan's waiver request in light of the above-mentioned requirement in this Block Transfer filing review. The Plan shall not send enrollee notices until the Department approves the notices and provides further information at the conclusion of the Department's Block Transfer review.

For Medi-Cal HMO enrollees, the plan may be required by the Department of Health Care Services to provide enrollees with 30-day notices prior to contract termination. The Department will review this Block Transfer filing consistent with Knox-Keene Act requirements, but this review shall not constitute a waiver of any requirements by the Department of Health Care Services.

Regards,

Cindy Nguyen
