

Provider Reassignment Chart *

Health Plan	Cigna Healthcare
Terminating Provider Group	UC Davis Medical Group
Block Transfer Filing No.	2026-PROV-101
Receiving Provider Group	Hill Physicians Medical Grou

1. "Enrollees Currently Assigned": Plan should report total number of plan enrollees it currently assigns to each listed PCP.
2. "Resassigned Enrollees": Plan should report only those enrollees being reassigned to a new PCP.
3. "Total New Enrollees": This number should be the total of all three "Resassigned Enrollees" columns. This number should also equal the "total number of enrollees being reassigned" minus "total number of enrollees retaining their PCF
4. "Total Plan Enrollees with PCP Post-Termination": This number should be the total of "Enrollees Currently Assigned" plus "Total New Enrollees."
5. When reassigning enrollees to new PCPs, distances should be calculated by how far the enrollee must travel from their respective workplace or residence.
