Hello,

As an agreement has been reached after sending notices, please provide a good news letter for review.

Thank you,

Elizabeth

Hello, The Plan is pleased to advise the Department that it has reached an agreement with the University of California regarding the subject provider relationship. As a result, the previously anticipated termination will not

occur, and network access to the affected providers will be maintained. Accordingly, the Plan is in the process of mailing the attached communication to impacted members informing them that they may continue receiving care from their current primary care physician and that no action is required on their part. The member communication will clarify that provider participation will remain unchanged and that members may maintain their existing provider relationships without interruption. The Plan appreciates the Department's attention to this matter and will continue to keep the Department apprised of any material developments. Let me know if you have any questions or need anything additional. Thank you, Lea Anna Tonkin

Dear Ms. Lea Anna Tonkin,

The Department of Managed Health Care (the "Department") has received the information submitted in Block Transfer Filing 2026-PROV-101 ("Filing") submitted by Cigna HealthCare of California, Inc. (the "Plan") on March 12, 2026. Based upon the representations within the Filing, the number of enrollees who will be reassigned or redirected as a result of the contract termination is less than 2,000. At this time, the Department accepts the Filing as an Information Only Filing.

For ZIP Codes 95633, 92109, and 94606, the Plan states enrollees will be required to travel more than 15 miles or 30 minutes to receive primary care physician services as a result of the Plan's contract termination with UC Davis Medical Group. The Plan is reminded to file a request for alternative access standards for those ZIP Codes. (Rules 1300.51, subd. (d)(H), 1300.67.2.1.)

The Department requests that the Plan immediately notify the Department regarding any changed circumstances, incorrect information, or new information material to the Plan's submission regarding this matter. The Department reserves its right to revoke or modify this acceptance of the Plan's submission as an Information Only Filing, based upon changed circumstances or based upon the Department's receipt of new or additional information.

Within one business day after the contract termination date, please advise the Department of the contracting status: agreement reached, extension (include new termination date), or not contracted. If the contracting status is "not contracted," please provide a courtesy copy of the enrollee notice sent by the Plan regarding the contract termination.

Thank you for submitting this information regarding the potential contract termination. Please contact me if you have any questions.

Elizabeth Doyle

Good Morning Elizabeth, The Plan has revised the Enrollee Transfer Notices (ETN) specific to this block transfer filing. Let me know if you need anything additional specific to this provider group other than the outstanding question related to the enrollee access. Thank you, Lea Anna Tonkin

Hello,

For the two Enrollee Transfer Notices attached to this filing, the applicable timeframes for selecting a new Provider Group were not included. Please state the applicable timeframe for affected enrollees to select a new Provider Group following the contract termination between the Plan and provider group. In addition, please file all updated ETNs with the Department through eFile. Updates to the ETN provided by the Plan through block transfer filing submissions are not approved for use in other filings

Thank you,

Elizabeth

Hi Lea Anna,

Can you confirm for the Department whether the ZIP Codes the three enrollees are located which are beyond 15 miles and 30 minutes have approved alternative access standards?
