Re: Proposed Contract Termination with Community Health Partners
Block Transfer Filing No. 2026-PROV-107
Filed on March 24, 2026

Dear Ms. Mikayelyan,

This is in response to your comment letter regarding the information in the above-referenced Block Transfer Filing (Filing) submitted by Cigna HealthCare of California, Inc. (Plan.)

Please review the Plan's responses below.

1. Please confirm whether the provider group termination is part of a health system termination. If yes, please confirm the health system and whether the contract is a stand-alone contract.

The Plan confirms the provider group termination is part of a health system termination and the contract is a stand-alone contract.

2. Please confirm the Contract Termination date and the Enrollee Transition date for this Filing.

The Plan confirms the contract will terminate at Midnight on June 30, 2026; the provider group will be out of network effective July 1, 2026. The Enrollee Transition date is July 1, 2026.

3. Please confirm whether the contract termination between the Plan and Community Health Partners impacts Point of Service (POS) enrollees.

The Plan confirms the contract termination between the Plan and Community Health Partners impacts Point of Service (POS) enrollees.

4. Please confirm whether the Receiving Provider Group(s) have admitting privileges to an in-network hospital.

The Plan confirms the Receiving Provider Group has admitting privileges to an in-network hospital.

5. Please provide the following for each proposed Receiving Provider Group:
 - a. Contract termination date,

N/A, the contract is evergreen.

- b. In the case of an evergreen contract with any proposed Receiving Provider Group, please provide the Department with:
- i. Contract renewal date(s), or

The contract renewal date is January 1, 2029.

- ii. If there is no specified renewal date(s), please state whether a notice of termination has been sent or received, and

The Plan confirms that it has neither sent nor received a notice of termination.

- iii. Confirm whether each evergreen contract will automatically renew.

The Plan confirms the evergreen contract will automatically renew.

6. To assess the Block Transfer's impact on the Plan's specialist network, please provide or confirm:

- a. Each Receiving Provider Group has the necessary providers to deliver the full scope of specialty services required under the Plan's contract with its enrollees,

The Plan confirms the Receiving Provider Group has the necessary providers to deliver the full scope of specialty services under the Plan's contract with its enrollees.

- b. Any specialties available within the Terminating Provider Group that would not be available within any of the Receiving Provider Groups,
 - i. For any specialties no longer available to affected enrollees as a result of the proposed transition, please explain how those enrollees will continue to access such specialty services,

The Plan confirms there are no specialties available within the Terminating Provider Group that would not be available within the Receiving Provider Group.

- c. The name and contact information for each Receiving Provider Group responding to this issue.

The Receiving Provider Group contact information is below:

- **Jon Edwards, jedwards@santehealth.net**

7. To assess the Block Transfer's impact on the Plan's hospital network, please provide or confirm:

- a. Whether the Plan has sent or received a notice of contract termination from any of the Receiving Provider Groups' primary hospitals, and if so, whether that contract is set to terminate within the next six months,

The Plan has neither sent nor received a notice of contract termination from any of the Receiving Provider Groups' primary hospitals.

- b. Any inpatient or outpatient hospital-based services available to affected enrollees through the Terminating Provider Group that would not be available through any of the Receiving Provider Groups,
 - i. For any hospital-based services no longer available to affected enrollees as a result of the proposed transition, please explain how enrollees will continue to access such services.

The Plan confirms there are no inpatient or outpatient hospital-based services available to affected enrollees through the Terminating Provider Group that would not be available through the Receiving Provider Group.

- 8. To assess continuity of care for enrollees affected by the Block Transfer, please identify or confirm:
 - a. The number of affected enrollees who have been authorized or approved to receive a procedure or service from a provider within the Terminating Provider Group within 180 days of the Termination Date,

There are zero enrollees authorized or approved to receive a procedure or service.

- b. The number of affected enrollees who have been authorized or approved to receive a procedure or service within 180 days of the Termination Date from a hospital utilized by the Terminating Provider Group, but not utilized by the enrollee's Receiving Provider Group.

There are zero enrollees authorized or approved to receive a procedure or service within 180 days of the Termination Date from a hospital utilized by the Terminating Provider Group, but not utilized by the enrollee's Receiving Provider Group.

- 9. Please indicate whether the Plan intends to send an Enrollee Notice to all Plan enrollees assigned to **Community Health Partners**.

The Plan confirms it intends to send an Enrollee Notice to all Plan enrollees assigned to Community Health Partners.

Please contact me directly at 860.902.6866 or via email at Leaanna.tonkin@cignahealthcare.com should you have any additional questions or concerns.

Sincerely,

Lea Anna Tonkin
