Re: Proposed Contract Termination with UCSD Medical Group
Block Transfer Filing No. 2026-PROV-95
Filed on March 5, 2026

Dear Ms. Mikayelyan,

This is in response to your comment letter regarding the information in the above-referenced Block Transfer Filing (Filing) submitted by Cigna HealthCare of California, Inc. (Plan.)

Please review the Plan's responses below.

1. Please confirm whether the provider group termination is part of a health system termination. If yes, please confirm the health system and whether the contract is a stand-alone contract.

The Plan confirms this medical group termination is part of a larger system-wide termination between the Plan and the University of California system. However, the agreement between the Plan and the Terminating provider group is a stand-alone agreement. Please also refer to bullet three on page 2 of the previously submitted UCSD Medical Group, Additional Narrative.

2. Regarding the Enrollee Transfer Notice submitted for this Filing, the following information was found to be missing. Please resubmit the Transfer Notice for the Department's review to include the following:

- a. Statement informing enrollees that they may contact the Plan for language assistance. This statement must include contact information.

The following statement is included in the Language Assistance document that will accompany the notice letter to enrollees. Please refer to the copy of the Language Assistance document included with this response.

3. Please confirm whether the contract termination between the Plan and UCSD Medical Group impacts Point of Service (POS) enrollees.

The Plan confirms this pending termination will affect Point of Service (POS) enrollees; however, POS members represent only 1% of the total enrolled population. Please also refer to bullet one on page 1 of the previously submitted UCSD Medical Group, Additional Narrative.

4. Please confirm whether the Receiving Provider Group(s) have admitting privileges to an in-network hospital.

- b. The number of affected enrollees who have been authorized or approved to receive a procedure or service within 180 days of the Termination Date from a hospital utilized by the Terminating Provider Group, but not utilized by the enrollee's Receiving Provider Group,
