Hi,

Got it. I forwarded my manager the email and sent her a text. But I'm not sure if she will see it since she is on PTO due to surgery.

If possible, if you can ask for an extension till Monday since we do close at 430. I'm not too sure if she'll get to it by then.

Thank you.

Hi Fredy,

Yes this will be effective 7/1 but for my part I need to gather the acceptances and affiliate hospitals by today.

if the groups accept then that part is done but if they don't accept we need to re map to ask another group.

Then it needs to go to contracting to look over and send to another group to confirm so its completed and done by 7/1.

Thank you,

Hi Delia,

Let me reach out to my manager. I did send her the email yesterday. She is on PTO so we might need an extension to Monday. But I will try to reach her.

Also, isn't this going to be effective until 7/1/2026?

Thank you.

Hi Fredy,

I just called and couldn't get a hold of you so I left a vm but was wondering if you would be able let us know if you can accept the member or not, as well as affiliated hospitals.

Hi Fredy,

We have a group that is potentially terming and the members have to be re-assigned to new groups.

One of the members would potentially be re-assigned to your group.

We are sending these to see if the groups would accept the members.

So in this case, on the chance that the group potentially terms, We would need to know if your group would accept the 1 member.

Thank you,

Delia Navarro

Hi Delia,

Sorry, what exactly is this regarding? I see that it mentions our group name and 1 member. is this stating Cigna will block our entire group contract due to 1 member?

And who is this 1 member and do they need to be referred to a specialist, assigned to a new PCP?

Sorry, this is confusing and I have never received something like this.

Thank you.

Hello Fredy,

Re: Potential Block Transfer

Cigna HealthCare of California, Inc. ("Cigna") has received a potential provider group termination which will be effective 7/1/2026. Although negotiations continue, we are updating our contingency plans in the event we are unable to reach an agreement. Cigna is required to submit a Medical Group Block Transfer to the Department of Managed Health Care ("DMHC") identifying alternative receiving physician groups to whom members can be assigned. As part of this Block Transfer filing, it is necessary to confirm that the alternative receiving physician group(s) have the capacity to accept additional membership and are willing to do so.

Please confirm that your physician group is willing and has the capacity to accept the membership below.

In addition, please confirm/provide:

Provide a list of primary admitting hospitals for your physician group.

Receiving physician group's Contact Information

Person's Last Name, First Name

Title

Phone Number

E-mail address

Name physician group	Members	Acceptance (yes/ no)
CITRUS VALLEY PHYSICIAN GROUP	1	

Thank you in advance for your time and assistance.

Please "Reply All" and provide a response by 2/27/2026.
