Dear Dawn and Lourdes:

Re: Potential Block Transfer

Cigna HealthCare of California, Inc. (“Cigna”) has received a potential provider group termination which will be effective 7/1/2026. Although negotiations continue, we are updating our contingency plans in the event we are unable to reach an agreement. Cigna is required to submit a Medical Group Block Transfer to the Department of Managed Health Care (“DMHC”) identifying alternative receiving physician groups to whom members can be assigned. As part of this Block Transfer filing, it is necessary to confirm that the alternative receiving physician group(s) have the capacity to accept additional membership and are willing to do so. I apologize for the short notice, to comply with regulatory requirements, **please “Reply All” and provide a response by Friday February 27, 2026.**

Please confirm that your physician group is willing and has the capacity to accept the membership below.

In addition, please confirm/provide:

Provide a list of primary admitting hospitals for your physician group.
