Re: Proposed Contract Termination with UC Davis Medical Group
Block Transfer Filing No. 2026-PROV-101
Filed on March 12, 2026

Dear Ms. Doyle,

This is in response to your comment letter regarding the information in the above-referenced Block Transfer Filing (Filing) submitted by Cigna HealthCare of California, Inc. (Plan.)

Please review the Plan's responses below.

1. Please confirm whether the provider group termination is part of a health system termination. If yes, please confirm the health system and whether the contract is a stand-alone contract.

The Plan confirms that UC Davis Medical Group is part of the University of California System termination. The contract is a stand-alone contract.

2. Please confirm whether the contract termination between the Plan and **UC Davis Medical Group** impacts Point of Service (POS) enrollees.

The Plan confirms this contract termination between the Plan and UC Davis Medical Group impacts Point of Service (POS) enrollees.

3. Please confirm whether the Receiving Provider Group have admitting privileges to an in-network hospital.

The Plan confirms the Receiving Provider Group has privileges to several Cigna network facilities, including but not limited to, Sutter and Dignity hospitals in the Sacramento market.

4. The following receiving provider group, Hill Physicians Medical Group, Inc., below have enrollees who will travel beyond the 15 mile, 30 minute geographic access standard. Please state the Plan's justification for assigning these enrollees to PCPs beyond 15 miles or 30 minutes of their residence. In addition to the Plan's justification, please confirm, in the event that these enrollees all elect to change their PCP, that the Plan has PCPs within 15 miles or 30 minutes of these enrollees with the capacity and availability to receive them.

There are currently three enrollees who fall outside the 15 mile, 30 minute geographic access standard. Upon further review, the Plan has determined that these enrollees live in rural/remote areas and have historically traveled beyond the 15 mile, 30 minute geographic access standard for their current care. Additionally, one enrollee is out of the area. In the event the affected enrollees wish to elect another PCP, they have the right to do so.

5. To assess the Block Transfer's impact on the Receiving Provider Groups and the Plan's primary care network, please provide or confirm:

- a. Any written communications (Confirmation of Capacity) to or from each Receiving Provider Group regarding the Block Transfer, and any information demonstrating each Receiving Provider Group has sufficient capacity and PCPs with current availability to accommodate the reassigned enrollee population.

The Plan has received email confirmation from Hill Physican's Medical Group. Please refer to the email confirmation submitted with this response.

6. To assess the Block Transfer's impact on the Plan's specialist network, please provide or confirm:

- a. Each Receiving Provider Group has the necessary providers to deliver the full scope of specialty services required under the Plan's contract with its enrollees,

The Plan confirms the Receiving Provider Group has the necessary providers to deliver the full scope of specialty services required under the Plan's contract with its enrollees.

- b. Any specialties available within the Terminating Provider Group that would not be available within any of the Receiving Provider Groups,

The Plan confirms all specialties are available within the Receiving Provider Group.

- i. For any specialties no longer available to affected enrollees as a result of the proposed transition, please explain how those enrollees will continue to assess such specialty services,

The Plan confirms that in the event an enrollee requires a service not available through the Receiving Provider Group, the Plan will execute the necessary case agreement to ensure continued access to care.

- c. The name and contact information for each Receiving Provider Group responding to this issue.

The Receiving Provider Group's contact information is below:

- **Cynthia Marshall, Cynthia.marshall@hpmg.com**

7. To assess the Block Transfer's impact on the Plan's hospital network, please provide or confirm:

- a. Whether the Plan has sent or received a notice of contract termination from any of the Receiving Provider Groups' primary hospitals, and if so, whether that contract is

set to terminate within the next six months,

The Plan confirms that it has neither sent nor received a notice of contract termination from any of the Receiving Provider Groups' primary hospitals.

- b. Any inpatient or outpatient hospital-based services available to affected enrollees through the Terminating Provider Group that would not be available through any of the Receiving Provider Groups,

Th Plan confirms all services are available at the Receiving Provider Groups hospitals.

- i. For any hospital-based services no longer available to affected enrollees as a result of the proposed transition, please explain how enrollees will continue to access such services.

The Plan confirms that in the event an enrollee requires a service not available through the Receiving Provider Group's hospitals, the Plan will execute the necessary case agreement to ensure continued access to care.

- 8. To assess continuity of care for enrollees affected by the Block Transfer, please identify or confirm:
 - a. The **number of affected enrollees** who have been authorized or approved to receive a procedure or service from a provider within the Terminating Provider Group within 180 days of the Termination Date,

The Plan confirms there are currently no open authorizations for this period.

- b. The **number of affected enrollees** who have been authorized or approved to receive a procedure or service within 180 days of the Termination Date from a hospital utilized by the Terminating Provider Group, but not utilized by the enrollee's Receiving Provider Group.

The Plan confirms there are currently no open authorizations for this period.

- 9. Please indicate whether the Plan intends to send an Enrollee Notice to all Plan enrollees assigned to **UC Davis Medical Group**.

The Plan confirms an Enrollee Notice will be issued to all impacted enrollees.

Please contact me directly at 860.902.6866 or via email at Leaanna.tonkin@cignahealthcare.com should you have any additional questions or concerns.

Sincerely,

Lea Anna Tonkin
