<Enter HCP name> will remain in the Cigna Healthcare network

Dear <MEMBER NAME>,

We're happy to let you know that we have reached an agreement and <Enter HCP name> will remain in your health plan network.

Collaborating for your health

We recently notified you that Cigna Healthcare was negotiating contract agreements with University of California (UC) Health to ensure you have continued access to care that is sustainably affordable. This letter is to inform you that Cigna and UC Health were successful in reaching an agreement.

This means that there is nothing you need to do and you'll continue to receive coverage for services provided by <Enter HCP name> at the in-network rate, subject to the terms of your plan. You can remain with your current Primary Care Physician at <Insert Medical Group Name> and it will not be necessary to change to a new physician group.
