Re: Proposed Contract Termination with Corona Regional Medical Center Main
Block Transfer Filing No. 2026-HOSP-259
Filed on March 2, 2026

Dear Ms. Litovchenko,

This correspondence is in response to the comment letter received from the Department of Managed Health Care (the “DMHC” or the “Department”), dated March 4, 2026 related to UHC of California’s (“UHC” or the “Plan”) Block Transfer Filing No. 2026-HOSP-259 by **UHC of California** (Plan) for compliance with the requirements of the Knox-Keene Health Care Service Plan Act of 1975, as amended (Cal. Health & Safety Code § 1340 *et seq.*) and the regulations promulgated thereunder (Cal. Code Regs., Tit. 28, § 1000 *et seq.*). For ease of review, the DMHCs comments are in ***bold italic font***, followed by the Plan’s response.

In the event of contract termination, the Filing proposes to remove Corona Regional Medical Center Main (Terminating Hospital) from the Plan’s hospital network. The effective date of contract termination between the Terminating Hospital and the Plan (Termination Date) is currently May 1, 2026.

Please review the following comments and feel free to contact me if you would like to discuss any of the issues before filing the Plan’s response.

- 1. Regarding the Enrollee Transfer Notice (ETN) submitted for this Filing, the following information was found missing. Please resubmit the Enrollee Transfer Notice for the Department’s review to include the following:***
 - a. Doctors Hospital of Riverside is included in this filing as part of the Alternate Hospitals, but it is not listed on the list of network hospitals. Please also include this hospital on the ETN and resubmit to the Department for its review.***

Plan Response: The Plan confirms that Parkview Community Hospital Medical Center is known as Doctors Hospital of Riverside in the DMHC portal but known to enrollees as Parkview Community Hospital Medical Center, therefore, the enrollee

transfer notice contains the appropriate name. It is the Plan's understanding that the name was changed several years ago.

2. ***The Department notes that Parkview Community Hospital Medical Center is listed as one of the Alternate Hospitals in the Enrollee Notice. However, it was not listed in the Block Transfer filing. Did the Plan intend to use Parkview Community Hospital Medical Center as one of the Alternate Hospitals? If so, please provide the following information for this hospital:***

Alternate Hospitals	Contract Evergreen?	Contract Notice Received?	Contract Potential POS Increase	Contract Terminates?	Contract Termination Notice Days	Same Hospital System?	Travel Distance	Travel Time
Parkview Community Hospital Medical Center								

Plan Response: The Plan confirms that Parkview Community Hospital Medical Center is known as Doctors Hospital of Riverside in the DMHC portal.

3. ***Please confirm whether the contract termination between the Plan and Corona Regional Medical Center Main impacts Point of Service (POS) enrollees.***

Plan Response: The Plan confirms that there are no POS enrollees on the UHCCA License.

4. ***Please confirm whether the HMO providers that routinely utilize the Terminating Hospital have adequate admitting privileges for PCPs and specialists to at least one of the identified Alternate Hospitals containing all services that will be lost should the contract ultimately terminate.***

Plan Response: The Plan confirms that HMO providers that routinely utilize the Terminating Hospital have adequate admitting privileges to at least one of the identified alternate hospitals.

5. ***In addition to the in-patient services comparison on the Block Transfer portal, please indicate any of the following services that are available at the Terminating Hospital, but not available at the Alternate Hospitals:***

- Any out-patient or in-patient services,***
- Any tertiary care, quaternary care, cancer, burn or other high-level specialty services,***

If any services are not available at the Alternate Hospitals, please explain

where affected enrollees will receive these services following contract termination.

Plan Response: Aside from services reported in the in-patient services comparison on the Block Transfer Portal, all other outpatient and in-patient services are available at Alternate Hospitals. Services will be referred as needed and the Plan will work with PCP to ensure access to appropriate care.

- 6. The Plan indicates that the provider group PrimeCare Medical Group of Chino Valley, Inc., will use Placentia Linda Hospital as an Alternate Hospital; however, the Plan indicates that zero PCPs have admitting privileges to the proposed Alternate Hospital. Please explain how its assigned enrollees will be admitted to Placentia Linda Hospital.**

Plan Response: PrimeCare Medical Group of Chino has sufficient PCPs who can admit to Doctors Hospital of Riverside and San Antonio Regional Hospital. In the event PrimeCare Medical Group of Chino cannot admit to Placentia Linda Hospital through use of a hospitalist, the Plan will work with the group to ensure enrollees are able to obtain any medically necessary services.

- 7. Please identify the number of enrollees who have a procedure scheduled and authorized by the Plan at the Terminating Hospital post-termination.**

Plan Response: The Plan has identified 27 enrollees assigned to the impacted group(s) submitted with this filing who have an open authorization post-termination. The Plan confirms services within 180 days of the termination date will be at in-network benefit levels per the e-filed Continuity of Care language. Please reference e-filing #20244812.

- 8. Please confirm whether the provider group(s) in this Block Transfer Filing are facing potential contract termination(s) within six months. In addition, if the Plan is required to file a Block Transfer Filing for any of the provider group(s), please provide the name of the provider group and the filing number of each Block Transfer Filing.**

Plan Response: The Plan confirms that the provider group in this Block Transfer Filing are not facing a potential contract termination within six months.

Thank you, and should the Department have any questions, or would like to discuss the Plan's response, please contact me at 763-361-2801 or via email at smorse1@uhc.com.

Sincerely,
