Re: Proposed Contract Termination with O'Connor Hospital
Block Transfer Filing No. 2026-HOSP-277
Filed on March 18, 2026

Dear Karen Choate:

The Department of Managed Health Care (Department) is reviewing the information in the above-referenced Block Transfer Filing (Filing) submitted by **Blue Cross of California** (Plan) for compliance with the requirements of the Knox-Keene Health Care Service Plan Act of 1975, as amended (Cal. Health & Safety Code § 1340 *et seq.*) and the regulations promulgated thereunder (Cal. Code Regs., Tit. 28, § 1000 *et seq.*).

In the event of contract termination, the Filing proposes to remove **O'Connor Hospital** (Terminating Hospital) from the Plan's hospital network. The effective date of contract termination between the Terminating Hospital and the Plan (Termination Date) is currently **July 1, 2026**

Please review the following comments and feel free to contact me if you would like to discuss any of the issues before filing the Plan's response.

1. Please confirm the Plan will utilize the most recently approved eFiling Enrollee Transfer Notice Templates for this Block Transfer Filing.
2. Please confirm that the Plan is aware that it cannot transition its enrollees or send Enrollee Transfer Notices without the Department's approval.
3. Please confirm whether the hospital termination is part of a health system termination. If yes, please confirm the health system and whether the contract is a stand-alone contract.
