Terminating Hospital Services

Services pertaining to the terminating hospital.

High-level specialty (such as Bariatric Surgery, Spine Surgery, etc.) : No

Tertiary or Quaternary Care Services:

Yes, Lucile Packard although focussed on pediatrics.

Oncology Services:

Yes, As HCID notes offered at terminating hospitals and all the alternates listed in this filing: El Caminos (x2) Good Sam Lucile Packard and Washington

Burn Services:

Yes, All alternates offer some level of burn services.

Transplant Services:

No

Any in-patient or out-patient services that are available at the Terminating Hospital, but not available at the Alternate Hospitals:

The Plan does not anticipate any problems with the ability of the alternate hospitals to provide the same out-patient and/or in-patient services available at the terminating facility. If there is a service identified that is a covered benefit and only available at the terminating hospital the Plan will make every effort to ensure services are provided at the terminating hospital. When a covered service is not available or accessible at a participating network hospital or specialty facility in the Plan's' network members will be allowed to receive that service at a non-participating hospital as appropriate; reimbursement at in-network benefit level.

PPO enrollees who reside within a 15 mile radius of the Terminating Hospital

Total # of PPO enrollees within 15 miles: 47,230

All of the Alternate Hospitals are in-network facilities for PPO enrollees: Yes

The Plan's PPO providers can admit or provide for medically necessary services at the Alternate Hospitals: Yes

Services Comparison

Services offered by the terminating hospital with that of the Alternate Hospitals comparison.

Justification how enrollees will access the missing service(s) post-termination:

If there is a service identified that is a covered benefit and only available at the terminating hospital the Plan will make every effort to ensure services are provided at the terminating hospital. When a covered service is not available or accessible at a participating network hospital or specialty facility in the Plan's' network members will be allowed to receive that service at a non-participating hospital as appropriate; reimbursement at in-network benefit level.
