Dear Member:

Thank you for being an Anthem member. It's important to know where you can go for hospital care and what hospitals are in our network. Our network changes on a regular basis so you can see the right providers when you need to.

As of **July 1, 2026**, the following hospital may be no longer be in Anthem's network:
O' Connor Hospital

If you go to this hospital on or after **July 1, 2026** and it's not an emergency, your visit may not be covered. A list of hospitals that take Anthem and are close to your home are below.

El Camino Hospital
Good Samaritan Hospital
Lucile Packard Childrens Hospital

This change may mean you will have to see a different specialist. To pick a new specialist, please call your primary care provider (PCP). Your Anthem benefits will not change in any way. Please call us if you receive a bill from this hospital.
